# Good vibrations

Discanting of Jeannie Belly Dance Academy will be holding an end-of-year performance next week, with all funds going to Randwick Dog Rescue (RDR).

The belly dance school's performance will help RDR find homes for dogs in the area.

A local volunteer group, RDR was set up in 2001 with the aim of rescuing dogs that had been abandoned or mistreated. Loving homes are found for most of the dogs and all of the puppies.

Every dog that goes to RDR is health-checked, desexed, microchipped and vaccinated.

Since RDR has a "no kill" policy, those dogs that don't find homes are housed and cared for at the Randwick Vet Hospital, where RDR is based, by [REDACTED] and her team of devoted volunteers.

**Happy pouches** have found homes thanks to Randwick Dog Rescue.

The school's performance will be held at [REDACTED]

the Police and Community Youth Club, 26a Bannerong Road, Kingsford, on December 15 from 7 pm. Phone Despina on 0403 897 420. For more information about RDR,
